

07/14/2021 Events

The International Specialized Exhibition (ISE) “INFOINVENT”, 17th edition, will be held from 17 to 20 November 2021. The event is organized by the State Agency on Intellectual Property (AGEPI), in partnership with the Ministry of Education, Culture and Research, National Agency for Research and Development and National Agency for Quality Assurance in Education and Research. Given the epidemiological situation generated by the coronavirus pandemic (COVID-19), the 2021 edition of the ISE “INFOINVENT” will be held in online format.

The works presented at the ISE “INFOINVENT” will be distributed according to the following compartments:

1. Compartment I: Inventions and Plant Varieties, Industrial Design;
2. Compartment II: Research and Innovation Projects;
3. Compartment III: Creation of Youth;
4. Compartment IV: Innovative Products and Services;
5. Compartment V: Creative Industries.

The exhibits presented will be judged and awarded. The criteria for evaluating the works are established by the Regulation on the Organization and Conduct of the ISE “INFOINVENT”.

The period for submitting applications for participation in the exhibition, forms for registration in the Official Catalog of the ISE “INFOINVENT”, 17th edition, and contracts for participation in the exhibition, is **July 15 - October 15, 2021**.

The [Regulation on the Organization and Conduct of the ISE “INFOINVENT”](#) [1], [the documents](#) [2] and [conditions of participation](#) [3], as well as other relevant information can be accessed online on the website of the exhibition: <http://www.infoinvent.md/> [4].

The program of manifestations related to the ISE “INFOINVENT” will include an International Innovation Conference and other interactive events to promote the importance and value of intellectual property and innovation for the economic development of the country and increase the competitiveness of local products and services in the internal and external market, the entire program will take place online.

ISE “INFOINVENT” is a forum of intellectual property, creativity and innovation. The purpose of the event is to support and promote research and innovation activity, attract investment in innovation and technology transfer, realize joint projects on the use and implementation of human creativity results in the national economy, and to develop international technical-scientific cooperation.

The State Agency on Intellectual Property invites inventors and researchers from the Republic of Moldova to participate in specialized exhibitions and to use with maximum efficiency this tool to promote their own innovative projects.
