03/06/2013 Events

State Agency on Intellectual Property of the Republic of Moldova (AGEPI) invites persons interested in the topic of intellectual property to participate in the work of the Symposium "AGEPI Readings-2013", fifteenth edition, which will take place at the AGEPI, from 24 to 25 April 2013.

The symposium is traditionally organized on the eve of the World Intellectual Property Day, celebrated annually on 26 April.
The fifteenth edition of the Symposium entitled "**Current Issues of Intellectual Property"** will be held in six sessions:

Session 1 *(plenary)*: Recent Developments in Intellectual Property

Session 2: Exploitation of the economic intellectual property potential

Session 3: IP - tool to support innovative research and industry

Session 4: Protection of industrial property rights: legal and procedural aspects:

- patents for invention and plant varieties
- trademarks
- industrial designs
- geographical indications, appellations of origin, traditional specialties guaranteed

Session 5: Current issues of protection of copyright and related rights

Session 6: Recent developments and challenges on enforcement of intellectual property rights

The Symposium is intended for specialists working in the intellectual property protection field, representatives of public central administration authorities with responsibilities for intellectual property, institutions and organizations in the sphere of science and innovation, patent attorneys and counselors in industrial property, inventors, teachers and students of the higher education and vocational education institutions of the country, etc.
