

Exhibitions

Promotion of national intellectual property system through exhibitions has proved effective over time. By tradition, AGEPI actively participates in various national and international exhibitions, to streamline collaboration with the research-development-innovation sphere, entrepreneurship/services, academic institutions, mass media institutions, involved in the IP information and communication process, disseminating information in the field, carrying out marketing and consulting activities, etc.

In the national exhibitions, organized in Chisinau and in the Republic, as well as in the international exhibitions, Agency's specialists take also part in related actions (seminars, round tables, trainings) with communications on IP national legislation, procedures for the protection of trademarks and industrial designs, benefits of protection of geographical indications, appellations of origin and traditional specialties guaranteed to domestic producers, IPO evaluation, the role of brand in promoting goods and services, etc.

Also, AGEPI promotes and stimulates innovation activity in the Republic of Moldova, providing for the participation of national inventors in the international exhibitions.
