Association of Polish Inventors and Rationalizers in collaboration with the Polish Patent Office and the Warsaw University of Technology invites interested persons to participate in the VIII International Warsaw Invention Show IWIS 2014, Poland. The exhibition will be held on 14-16 October 2014 in the main building of Warsaw University of Technology.

International Invention Show IWIS 2014 will be held under the patronage of Mr. Bronislaw Komorowski, President of Poland, International Federation of Inventors' Associations (IFIA) and Association of European Inventors (AEI).

Inventive solutions of the participants in the IWIS exhibition will be judged by an International Jury. Winners will be awarded with gold, silver and bronze medals, as well as special prizes.

IWIS is one of the largest exhibitions of inventions and technical solutions in Europe. Last year's exhibition was attended by inventors from 20 countries.
