The International Exhibition of Research, Innovations and Inventions PRO INVENT, 18th edition, will be held from 18 to 20 November 2020, in the city of Cluj-Napoca, Romania. In the circumstances of the coronavirus pandemic, the event will take place online.

The PRO INVENT Exhibition in Cluj-Napoca was and wishes to remain a distinct meeting place for inventors and inventions with businessmen and entrepreneurs interested in implementing the results of human research, innovation and creativity.

Innovative companies wishing to present new products and technologies can do so in a separate section, commonly called “Technology Arena”, which provides an opportunity for participating companies to present to the audience both innovative technical solutions already developed and the medium to long-term innovation strategy. Inventors, natural persons, will also have an exclusive space called “Inventors’ Arena” where they will be able to exhibit and share ideas from various fields.

The Technical University of Cluj-Napoca is among the first higher education institutions in Europe to organize an exhibition of inventions.

Details on the registration, conditions of participation and conduct of the Exhibition will be posted on the event website. For these and other information about the PRO INVENT-2020 Exhibition, access https://proinvent.utcluj.ro/ [1].

The State Agency on Intellectual Property (AGEPI) encourages inventors and researchers from the Republic of Moldova to participate in the international specialized exhibitions and to use with maximum efficiency this tool to promote their own innovative projects.
