The International Exhibition of Innovation and Technology Transfer **EXCELLENT IDEA - 2024** is being held from September 20 to 22, this year, in the premises of the Academy of Economic Studies of Moldova (AESM), Block A. The event is organized by AESM, the Academy of Sciences of Moldova, the State University of Medicine and Pharmacy “Nicolae Testemitanu” and the Center for Innovation and Technological Transfer.

The official opening of the exhibition was attended by the Director General of the State Agency on Intellectual Property (AGEPI), Eugeniu Rusu, who emphasized the importance of this event, declaring: ”XCELLENT IDEA - 2024 offers us a unique opportunity to celebrate the exceptional achievements of the scientific community and to promote the dissemination of research results and innovations, both nationally and internationally. The event essentially contributes to increasing the visibility of innovation, stimulating collaboration and identifying new strategic partnerships. AGEPI continues to support such initiatives, actively contributing to the development and protection of intellectual property in the Republic of Moldova.”

Now in its 3rd edition, the Exhibition EXCELLENT IDEA represents an important platform for the promotion and support of inventors and innovators, as well as for technology transfer. The event draws attention to the importance of creativity and innovation, contributing to the economic and social development of the country.

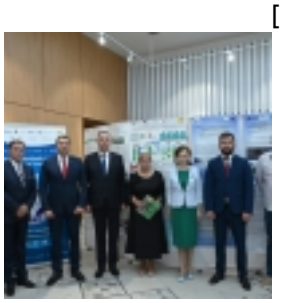

The exhibition is attended by representatives of higher education institutions in the country and abroad, researchers, members of research associations and representatives of the business environment. The exhibition offers opportunities for collaboration and exchange of experience in the field of innovation and technology transfer.

Interested visitors are invited to discover the innovations presented at the exhibition until Sunday, September 22, 2024.
