21.08.2025 События

The State Agency on Intellectual Property (AGEPI) invites inventors, researchers, entrepreneurs and creators from the Republic of Moldova and abroad to participate in the 19th edition of the International Specialized Exhibition (ISE) “INFOINVENT”. The exhibition will be held from 3 to 5 December 2025 and will take place at IEC Moldexpo SA (1, Ghioceilor Street, Chisinau).

The works presented at the ISE “INFOINVENT’ will be exhibited in five distinct compartments, as follows:

- Compartment I: Inventions and Plant Varieties, Industrial Design;
- Compartment II: Innovation and Technology Transfer Projects. Research Projects. Monographs;
- Compartment III: Creation of Youth;
- Compartment IV: Innovative Products and Services;
- Compartment V: Creative Industries.

The exhibits presented at the ISE “INFOINVENT” will be evaluated by a jury and prizes will be awarded for the most outstanding works. The evaluation criteria are established in accordance with the Regulation on the Organization and Conduct of the ISE ”INFOINVENT” [1].

The period for submitting applications for participation in the exhibition, forms for registration in the Official Catalogue of the ISE “INFOINVENT”, 19th edition and contracts for participation in the exhibition is **25 August - 10 November 2025**.

To find out more information about the documents and conditions of participation, as well as other relevant details, participants can access the official website of the exhibition at: https://infoinvent.md/ [2].

The program of manifestations related to the ISE “INFOINVENT” will include an International Innovation Conference and other interactive events aimed at promoting the importance and value of intellectual property and innovations for the economic development of the country, as well as for increasing the competitiveness of local products and services on the domestic and foreign markets.

About ISE “INFOINVENT”

The exhibition “INFOINVENT” is an important forum of intellectual property, creativity and innovation in the Republic of Moldova. The purpose of the event is to promote research, innovation and development of new technologies, attract investments in innovation and technology transfer, develop international technical and scientific cooperation and create partnerships between the academic and business sectors. The event is organized every two years by the State Agency on Intellectual Property in partnership with the Ministry of Education and Research, the Ministry of Culture, the National Agency for Research and Development and the National Agency for Quality Assurance in Education and Research.
